OATS

Ardent Mills is proud to be an Oat Processor in Canada with over 100 years of oat milling heritage in the Canadian Prairies. We have long standing relationships with family farmers who truly care about the land and that foster sustainable oat agriculture. Our premium-quality oat products rolled from clean, hulled and kilned stabilized Canadian oat groats will fit your diverse needs.

Little John™ Quick Cooking Oats

Our quick cooking oats will create a smooth breakfast cereal, and also work well in a variety of baking applications.

Applications: Cereals, cookies, muffins and other baked goods where a quick-cooking oat flake is desired

Also available in:

Thick Granola Oats

Applications: Granola and baked goods where a thicker oat flake is desired

Thick Quick Oats

Applications: Cereals, cookies, muffins and other baked goods where a quick-cooking, thicker diameter oat flake is desired

Large Flake Iris Oats

Applications: Breakfast cereals, cookies, and baked goods where a slow-cooking oat is desired

Oat Bran

Applications: Muffins, specialty breads, cereals, crackers
