# Ardent Mills Organic Flour

Our certified organic flours support growing demand for transparent and nutritious foods. Together we can rise to the challenge!

# NOURISHING THE FUTURE

The demand for organic wheat is growing!

Ardent Mills is leading the way to meet growing customer and consumer demand for organic flour. Our farmer relationships and milling expertise enable us to deliver **QUALITY, CONSISTENCY, SCALE** and **PRICE PREDICTABILITY** to organic flour customers.

## CERTIFIED ORGANIC FLOUR OPTIONS

### ORGANIC STRONG BAKERS FLOUR

Our Organic Strong Bakers flour is milled from an organic spring wheat blend and is ideal for applications requiring a stronger gluten flour.

*Applications: European crusty breads, specialty pan breads, dinner & soft rolls, Danish pastries, sweet doughs, pretzels, croissants*

### ORGANIC ALL-PURPOSE BREAD FLOUR

Our Organic All-Purpose Bread Flour produces dough with great extensibility and handling characteristics, giving you a flavourful loaf of bread every time.

*Applications: All varieties of pan breads, tortillas, soft rolls, pizzas, flatbreads, scones, sauces & gravies, quick breads, batters & breadings*

### ORGANIC PASTRY FLOUR

Our Organic Pastry Flour has low protein content and is ideal for use in foods with tender, flakey and crumbly textures.

*Applications: Cookies, muffins, cake donuts, bars, pancakes & waffles, crackers*

### ORGANIC WHOLE WHEAT FLOUR

Our Organic Whole Wheat Flour offers the natural texture, appearance, taste and nutrition that have become the whole-wheat trademark.

*Applications: Whole wheat breads & rolls, bagels, tortillas, pizza dough, pretzels, crackers*
